

A close-up photograph of a hand holding an orange plastic bottle of sunscreen. The bottle is tilted, and a stream of clear liquid is pouring out from the opening. The liquid is falling onto a person's skin, which is glistening with water droplets. The background is a bright, clear blue sky. The overall scene is bright and summery.

Pele com o brilho do **verão**

Com a chegada do verão, especialistas dão dicas de como renovar o bronzeado de maneira mais segura e sem prejudicar a saúde
